

Shahin Kalantari Cosmetic Product Development Services

#

Introduction

Since 2004, Shahin Kalantari is devoting his expertise in The Cosmetic Industry to develop Natural and Organic personal care. In 2008, he has introduced the first certified organic product line under the brand “eaurganic” in North America.

“eaurganic” represents the exposure of enhanced performances of plant concentrates and essential oils to deliver natural remedies.

Shahin is a board **member of** The Society of Cosmetic Chemists and previous chair of SCC Ontario Chapter. He is a professor at Seneca College who teaches formulation labs in the cosmetic chemistry program.

Services

Understanding your product expectations, and reviewing your benchmark (if any). A variety of ingredients will be reviewed to formulate, followed by the services accordingly;
